Re: OpenSIP.com, LLC., Amendment for Authorization to Obtain Number
Resources Pursuant to Section 52.15(g) of the Commission's Rules. WC Docket No.
17-89

Dear Ms. Dortch:

Pursuant to Section 52.15(g)(3)(i) of the Commission's Rules, OpenSIP.com, LLC
hereby wishes to submit an amendment to its application requesting authorization
to obtain numbering resources.

1. The experience of OpenSIP.com, LLC., is coming from its previous name of
Strategic Voice DBA GoFIBER.
2. In the original application under section 52.15(g)(3)(i)(D), it was stated that
"As proof of its facilities readiness, OpenSIP.com has attached to this
application (1) An agreement between OpenSIP.com and its carrier partner
providing that the carrier partner will host OpenSIP.com numbers on its
switches and provide PSTN connectivity for inbound calls to OpenSIP.com
numbers..." OpenSIP.com LLC wishes to amend and correct this sense to "As
proof of its facilities readiness, OpenSIP.com has attached to this application
(1) An agreement between OpenSIP.com and its carrier partners providing
that our carrier partner/s will host OpenSIP.com numbers on its switches for
PSTN connectivity for inbound and outbound traffic to and from
OpenSIP.com telephone numbers."

a. Exhibit A

OpenSIP.com has requested confidential treatment under the
Commission's rules for its Exhibits and has filed them separately.
